**Phoenix, AZ - For Immediate Release**

**New Exhibit Opening at Pueblo Grande Museum**

Pueblo Grande Museum is thrilled to announce the opening of a new exhibit, *Descanse En Paz*. This exhibit features photographs by Dick George illustrating and documenting handmade grave markers in the Southwest. The images address the markers and the stories they convey through three themes - a sense of space; variations on a theme; and private symbols, personal messages.

This exhibit opens on Friday, October 30, 2009 and will run through spring of 2010. Join us for this new exhibit!
